Dear Junming,

Congratulations!

Your team has been selected as an Alternate Finalist for the 2025–26 Conrad Challenge Innovation Summit, presented by Equinor. This distinction reflects the exceptional quality of your innovation and places your team among the top submissions in your category. The margins between Finalists and Alternates were razor thin — your work truly stood out.

As an Alternate Finalist, your team is positioned to attend the 2026 Conrad Challenge Innovation Summit should a Finalist team be unable to participate. Finalist teams have until Monday, March 13 to confirm their attendance. If a spot becomes available, we will immediately notify your entire team and coach with next steps.

In the meantime, you will have access to the same Finalist resources, via Award Force, to help you continue refining and strengthening your innovation. We encourage you to take advantage of these materials and continue building momentum.

Award Force

Please note: there is no need to reach out regarding Finalist confirmations. If an opportunity becomes available, we will contact you directly.

Conrad Innovator Perks

As a Conrad Innovator, you're eligible for select scholarships and can proudly showcase this distinction on your resume and applications. We look forward to seeing you again next year—keep innovating!

Innovators also receive an exclusive benefit through our partner, GoDaddy — **a free domain name** to help bring your idea to life online.

Whether you're building a landing page for your innovation, creating a pitch site for investors, or establishing your team's brand, securing your own domain is a powerful next step in your entrepreneurial journey.

You can claim your free domain here:

We encourage you to take advantage of this opportunity and continue building your innovation and brand beyond the Challenge.

Join the Conrad Alumni Network

As a Conrad Alternate Finalist, you are eligible to join the Conrad Alumni Network — a global community of bold, no-box thinkers committed to solving real-world problems.

Through the network, you'll connect with fellow innovators, access exclusive entrepreneurship content, explore mentorship opportunities, and build lasting relationships with peers and professionals around the world. Watch for a follow-up email with details on how to join.

Learn More About the Alumni Network

We are incredibly proud of your team's accomplishment and the innovation you've brought to the Challenge. This recognition is a significant achievement — and we are excited to see what you do next.
